What's New?

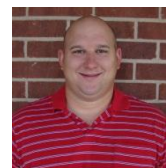

Paperwork

All students will be receiving a packet of papers the first week of school that must be completed and returned. Help us get started on the right foot by returning them as quickly as possible!

Principal's Notes

The first week of the new school year is behind us, and things have gotten off to a great start! Schedules and routines are falling into place, and we're ready to begin digging into instruction and preparing for the transition from TAKS to STAAR. Many changes lie ahead, but we are more than ready for the challenge!

Achieving the highest levels of success is only possible with your help! We look forward to partnering with each of you to insure the best for every CJH student.
