Principal's Notes

Believe it or not, we're already halfway through January and halfway through the 4th six weeks' grading period! Success Reports come out on January 24th, and then there are only two and a half weeks until the next Report Cards. Be sure to examine all grade reports, check the Parent Portal, and contact your child's teachers to stay on top of their progress.

January is School Board Appreciation Month. Take this opportunity to thank a board member for all they do for our kids!
